JOHN C. FAIR

TO THE REPUBLICANS OF KNOX COUNTY

I hereby announce myself a candidate for the Republican nomination for Juvenile Judge of Knox County, subject to the action of the Republican Primary of March 21st, 1918.

I have taught a number of public schools in this State and know how to deal with children and their parents.

I have practiced law at the Knoxville bar for more than twenty years, and I feel that I am as well qualified to perform the duties pertaining to this office, both for the benefit of the public, and the rising generation, as any man in Knox County.

I have been a life long Republican, have always worked for the interest of the party, and I earnestly appeal to all Republicans to favor me with their active support and influence in the primary and if nominated and elected, I will devote my entire time and abilities to performing the duties of the office for the welfare of all concerned. I will certainly appreciate your active support and influence in the primary.

Sincerely yours,

JOHN C. FAIR**FROM ALL PARTS OF TENNESSEE**

JOHN DOUGLASS

IN THE RACE TO WIN

AUGUST 1st, 1918

Answers Questions of Tax payer For Benefit of the Whole Public.

Has Proven His Ability.

In a recent issue of a daily paper some man evidently afraid to come out boldly, endeavoring to knock a cripple under the non de plume 'Taxpayer' asks the question 'which position does Mr. Douglass want?'

Mr. Douglass states he has made it very plain in all his announcements that he wants the position of General Superintendent of Roads, the same place which was created as a knock at him, and that he does not want to hold a position as a "nomen nescio" to any man who may be elected to that place, and him left as merely an ornament in the office.

in view of the fact that he has done more for the roads on less money than any two of his predecessors and has thereby proven his fitness to be at the head of road building and pike maintenance in the county of Knox.

Mr. Douglass states he is a candidate for General Superintendent of Roads, subject to the will of the voters of Knox county, and he hopes his position has been made clear for "Taxpayer" and every other citizen, and that he has confidence in the judgment of the people and does not fear these covert attacks made on him by designing politicians.
